PIPELINE CONSTRUCTION

Our equipment

Your project. Our power.

Whether you're after a single machine or a full equipment line-up, we've got you covered. Our fleet list ranges from 5–90T track and wheeled excavators to dozers - all ready to roll with expert support.

What sets us apart? Our fleet is backed by highly skilled operators and service crews who know how to keep the job moving. With wet hire, you get skilled professionals who are trained, experienced and ready to deliver on site, with ongoing training keeping them up to date with industry standards.

Regular servicing happens either from our Yatala yard or right on site, so uptime stays high and your project stays on track.

Wet and dry plant hire

24/7 breakdown response and on-site servicing

Ready when you are
