

Frederik Aagaard

Frederik Aagaard is the Chief Commercial Officer (CCO) at Agreena, where he is responsible for accelerating Agreena's overall business growth by leading its commercial division, which includes areas such as business solutions, farmer platforms, carbon markets, marketing, and strategic partnerships.

Frederik is a strategic leader with more than 10 years of extensive experience in commercial growth and expansion from various senior leadership roles at Danske Bank. Frederik holds a Master's degree in Business Administration and Finance from Aarhus University, complemented by an Executive MBA, as well as specialised training in Business Model Innovation for Organizational Transformation at MIT Sloan School of Management.
