

Simply Dental

# The smarter way to support employee wellbeing

Modern dental care. Simplified.

Simply Dental is our brand-new, digital-first dental insurance plan—designed to meet the real needs of today's workforce.

## Why choose Simply Dental for your team?

### Preventative care

**Everyday smiles to expert care** – from routine check-ups and hygiene visits to complex treatments, your employees can feel confident that they can access dental care when they need it.

### Easy, digital access

**Easy to manage** – designed for use, built for value – let us take care of your employees while you get on with doing what you do best, managing your business.

### Affordable and flexible

**Big value for small businesses** – developed for small and mid-sized businesses, giving you full access to our dental discount network.

**Coverage without compromise\*** – offer your employees flexible dental care options, plus access to discounted and self-pay health and wellbeing services—helping you deliver value without stretching your budget.

### More than just dental

**Digital experience** – access to on-demand discounted and self-pay health and wellbeing services, from at-home diagnostic testing to eye health and more.

**All managed in one place** – our easy to use app makes it easier for your employees to find care, treat issues and foster a healthier workforce.

# Why it matters

**72%**  
**of employees**

value dental plans as part of their benefits<sup>1</sup>

**26%**  
**say dental pain**

affects their work performance<sup>2</sup>

**59%**  
**of employees**

say that a dental plan has helped reduce the time they take off work due to dental pain<sup>3</sup>
