

Simply Dental

A smarter dental plan for today's workforce

Modern dental care. Simplified.

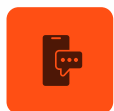

Simply Dental is our brand-new, digital-first dental insurance product —designed to meet the evolving needs of your clients and their employees.

Why choose Simply Dental?

Prevention at the core of everything we do

- 100% reimbursement on essential care up to specified limits.
- Simplified benefit structure.
- Everyday smiles to expert care - your clients can feel confident knowing their employees' have access to dental care from routine check-ups and hygiene visits to complex treatments, we have it covered.

Digital-experience

- A digital experience employees expect - our app-based access makes it easy for employees to manage their benefits and access services in a seamless experience through the SimplyPlan app and portal. We can help your clients' employees assess issues, find and book treatment, and claim money back towards the cost.

Built for all businesses

- Whether you're a small or medium business or large corporate - there's several levels to choose from.
- Easy to manage. designed for use. built for long-term value - let us take care of the employees while your clients get on with managing their business.

More than just dental

- With over 950 participating dentists in our discount network and an easy-to-use searchable tool, we want to offer a smart way to make NHS and private care more accessible and affordable—especially in today's economic climate.
- Access to on-demand discounted and self-pay health and wellbeing services, from at-home diagnostic testing to eye health and more.
