

Get quick, easy access to healthcare for you and your family

with a Simplyhealth Health Plan

Trusted by over 2.5 million
members across the UK

Getting your health sorted can be hard work these days

It can be hard getting in front of a health professional

85% of new patients are unable to access an NHS dentist¹

It can be hard getting treatment when you need it

The waiting list for physiotherapy grew 27% between 2022 and 2024²

And if you do go private, it can be hard working out how to afford it

Of those who wouldn't consider private, 62% said it's because of costs³

This is why we're here

The Simplyhealth Health Plan makes things easy

How does it work?

Think of our plan like a subscription for your health. You pay and get access to a range of health services, and claim back towards certain health costs.

1

Choose and pay for the level of cover that works for you

2

Download our app and get instant access to 24/7 services like an online GP, mental health support services and a range of on-demand discounted and self-pay services

3

Book and attend your appointments, and if covered, claim back towards the costs using our app or online account, up to your benefit limits

We'll help you get access to the healthcare you need, when you need it. Quick access, simple to navigate, for your common health needs.
