### Cloud Hill Wind Farm

#### Public Exhibitions - Round 2 - March 2023

BayWa r.e. held the first round of public exhibitions for Cloud Hill Wind Farm in June. Since then, environmental surveys have concluded. The results of these, combined with feedback from consultees and the first round of exhibitions, have informed the wind farm design.

The wind farm layout has evolved through the pre-planning process, with three turbines removed from the original fourteen proposed. Now the layout has been refined, BayWa r.e. is pleased to host a second round of public exhibitions for Cloud Hill. These exhibitions will showcase the changes we have made and provide an opportunity to meet the project team, ask any questions and share your feedback before planning application submission.

Details of the exhibitions are as follows:

- Wednesday 15th March 2023, 4pm to 8 pm: Miners Memorial Hall, Kirkconnel, DG4 6PH
- Thursday 16th March 2023, 4pm to 8pm: Sanquhar Town Hall, Church Road, Sanquhar DG4 6DF

All materials for the exhibition will also be uploaded to the website (<https://www.baywa-re.co.uk/en/>) ahead of the first exhibition. Comments and questions can also be submitted between 15th March and 29th March
