

Information nach REACH (EG) Nr. 1907/2006 Artikel 33 / Information acc. REACH (EU) Nr. 1907/2006 Article 33

Listing of concerned products (Tools, Spare Parts, Accessories), containing components with more than 0,1% substance of ECHA candidate list

Auflistung der betroffenen Erzeugnisse (Maschinen, Ersatzteile, Zubehör), die Komponenten mit mehr als 0,1% eines Stoffes aus der ECHA Kandidatenliste enthalten.

Type	Description	Substance 1 in % w/w	CAS Nr.	Substance 2 in % w/w	CAS Nr.	Substance 3 in % w/w	CAS Nr.
PE 14-3 125 230/CEE	Polierer, Polisher	Blei, Lead > 0,1	7439-92-1

To the best FLEX's knowledge, no Substances of Very High Concern are contained above 0.1% by weight in any article of FLEX's products currently placed on the market. If a substance would be contained, you can find the information in the table above. FLEX relies on its suppliers to provide the required information. We therefore reserve the right to revise this information upon receipt of deviating information and to pass these changes on to our customers immediately.
