## Entry

5. Applicants must be 18 or over and only residents of Great Britain who are customers of Octopus Energy and who have signed up to Octopus are eligible to apply on behalf of the kids football team ("**Applicants**").

6. Entry to The Campaign will run from 21st May 2026 until 11th June 2026.

7. For your chosen kids' football team to be entered into the Campaign for a chance to win free kits, you as the Applicant must:

- a) have your energy currently supplied by Octopus Energy; and
- b) have a working smart meter installed at your property; and

8. If you apply but do not meet the requirements for any reason (for example your chosen team already has a sponsor or you're not an Octopus Energy customer on Octopus), then your application will not be eligible for the Campaign. The final decision shall be at Octopus Energy's complete and sole discretion.

9. A maximum of two thousand (2,000) teams will be awarded eleven (11) free kits each. These kits will be allocated to eligible applicants via a random prize draw.

10. Only one application is allowed per person.

11. By entering the Campaign, you warrant that all information submitted by you is true, current and complete. If any information you submit is found to be fraudulent or incorrectly completed or if Octopus Energy has reasonable grounds to believe you have breached the T&Cs, Octopus Energy reserves the right to remove you from the Campaign.

### **The Kit**

12. If your application in the Campaign is successful, you will receive 11 free kits for your nominated grassroots football team. The free kits are non-transferable and no cash alternative will be offered. We will aim to contact the first wave of one thousand (1,000) winners week commencing 15th June 2025 and the second wave of one thousand (1,000) winners week commencing 13th July 2025. You'll then have 3 weeks to use your code and order your free kits.

13. The Octopus Energy account number linked with the application form will be contacted via email and provided with a unique discount code for the free kits to use. Once we have your kit order approved, we will aim to deliver the football kits within 6 weeks. We are aiming to have all 2000 kits delivered before the start of the season, 1st September 2025. Delivery times are estimates only and may vary due to unforeseen circumstances, and we are not responsible for any delays.

14. It is the Applicant's responsibility to provide correct information when ordering the kits and once an order has been placed and approved, no changes can be made to the order details, including sizes and quantities. We will not replace kits free of charge if they do not fit.

Octopus is not responsible for any damage to the kit after use, and damaged kits will not be replaced free of charge.

### **Use of Kit**

By accepting and wearing the kits provided by Octopus Energy, Campaign winners (or their parents/guardians if under the age of consent) agree to wear the kits in a manner that positively represents Octopus, including maintaining good sportsmanship and respectful behaviour. Any misuse of the kits or violation of these terms should be reported to us immediately. Octopus Energy reserves the right to take appropriate action, which may include requesting the return of the kits if it reasonably thinks these T&Cs have been breached.

16. Octopus Energy accepts no liability for any issues arising from the use of the kits or participation in this Campaign.
