

Postumia

The evolution of the traditional Burgundy

Postumia

The evolution of the traditional Burgundy

With its sharp lines, an easily recognizable profile and the cylindrical neck that blends into the shoulder, Postumia communicates a constant design research that leaves nothing to chance. Ideal for wines that want to stand out, pushing the natural process to its limits and for all those complex ones, that do not depart from tradition.

**ELONGATED NECK &
ANGLED SHOULDER**
GIVE A TWIST FORWARD
A DISRUPTIVE DESIGN
