REUSE
reusable & refillable
CIRCULARITY
separable components

Reusable & Refillable: Pockii Refill jar allows the glass to be reused. Customers can reuse the glass jar and refill it, thanks to the innovative mechanism designed by Berlin Packaging Beauty.

Separable components: the Refill Cup of Pockii Refill jar can be removed after use and separated from the glass components to facilitate proper disposal by consumers.

FROM PLASTIC

REUSE & REFILL CONCEPT

REFILLABLE JAR

Pockii Refill Jar is a sustainable alternative to common beauty jars that doesn't compromise on style. It was designed to combine design with sustainability, supporting multiple refills and allowing the glass jar to be reused, thus extending the product life cycle and reducing waste. By choosing Pockii Refill Jar, customers opt for a more sustainable approach to beauty packaging without sacrificing style and quality.

click

EASY TO TAKE OFF!

Replace the PP cup with a new one with one click! The Refill Cup fits perfectly into Pockii Refill Jar and it's easy to remove, allowing customers to keep using the glass jar by purchasing their favourite products' refills.
