herve COLLECTION

APPLICATION

Herve collection, with its square shape and flattened edges, offers a modern and balanced design. Ideal for high-end fragrance lines, thanks to the precision of the form, the quality of the glass, and the thick bottom that adds a sense of weight and value.

DECORATION

Variety of finishing options available.

Glass decoration

External varnishing, metallization, screen printing, organic and ceramic screen printing, UV screen printing, "precious metals" screen printing, hot stamping, inkjet, 3D inkjet, laser etching.

Plastic decoration

Screen printing.

FEATURES

- Square shape with flattened edges and clean, modern lines
