

Save \$1,000 on au pair **childcare**

Picture this:

Affordable, reliable care

Starting at just \$1,785 per month, hosting an au pair gives you high-quality, live-in childcare—with an extra \$1,000 savings when you match by April 30.

Lightening your mental load

Your au pair goes beyond babysitting—helping with laundry, keeping the kids' rooms tidy, preparing meals, and lending a hand during bath and bedtime routines.

Flexibility that fits your life

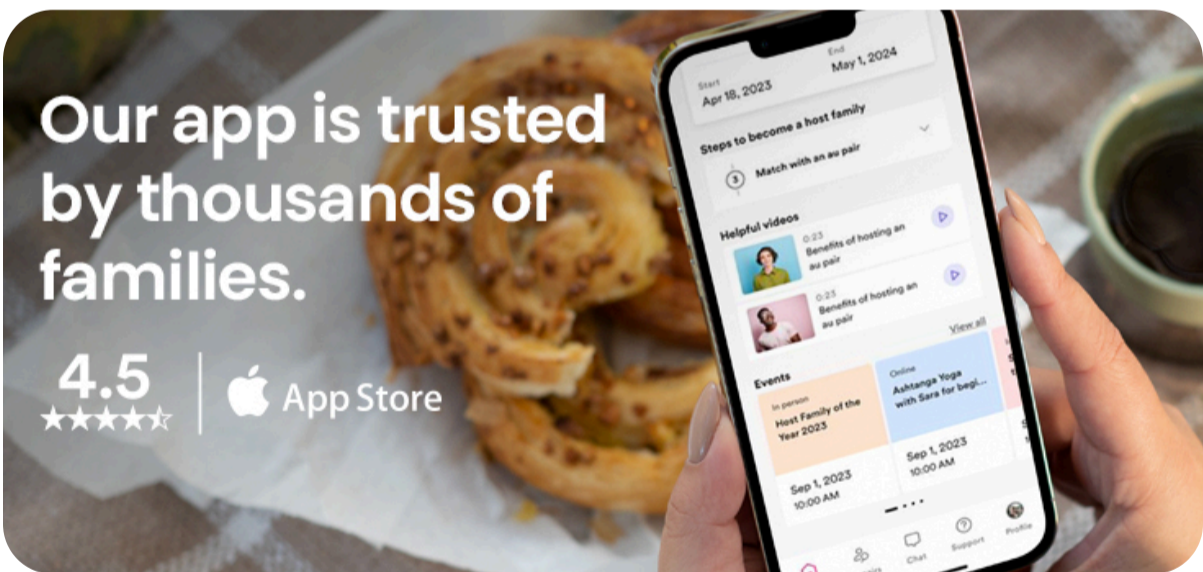

Whether you need coverage for long commutes, late meetings, or a well-deserved weekend date night, your au pair can provide up to 45 hours a week (and up to 10 hours a day) on the schedule that works for you.

With an au pair in your home, you don't have to worry about drop-offs and pick-ups, last-minute changes, or finding time for yourself. Instead, you gain a flexible solution that adapts to your life's unique demands—so you and your children thrive.

Match with your first au pair by April 30 to enjoy \$1,000 off your program fee and take the first step toward transforming your family's day-to-day.
