

# Ace back-to-school with an au pair

Great childcare can make returning to the classroom a breeze.

This time of year can be stressful, but a live-in au pair can ease that load—and help your kids discover other cultures!

**Flexibility** Up to 45 hours per week of childcare

**Trust** Live-in care helps trust develop quickly

**Culture** Open your family to new languages and cultures

What is an au pair?

Au pairs are between the ages of 18-26 and come to the U.S. as part of a State Department cultural exchange program. They live with your family, help with childcare, and experience American life.
