CHILDREN:

The child prices apply to children the age of 4 to 14 years.

Snowmobiles: child price entitles children to a seat in a sled pulled by a snowmobile ridden by the guide. Children over 140 cm in height are allowed to sit on the snowmobile behind an adult, when paying the adult price.

Snowshoe and skiing excursions can be physically demanding and are therefore not suitable for children under 12 years unless programme is especially designed for children.

Children of 3 years and younger can participate in safaris free of charge, but please note that not all safaris are suitable for young children.

Note that children under 2 years are not suitable to take part on snowmobile and husky safaris. Lapland Safaris Ltd reserves the right to deny the participation of small children due to safety reasons (e.g. demanding weather or trail conditions).

GENERAL TERMS:

Safaris are subject to change due to weather conditions. As a responsible safari organiser, Lapland Safaris Ltd reserves the right to change the routing, pricing and the duration of the excursions without prior notice. For more information about our Cold weather Guidelines, please visit our web page Frequently asked questions (FAQ).

Lapland Safaris Ltd reserves the right to interrupt a safari if a participant is seen as a potential danger to him/herself or to others or is in poor health. Prepaid safaris will not be refunded.

The rider of the snowmobile is held liable for damages caused to the vehicle. The maximum personal liability is € 980 per person/snowmobile/accident case.

NOTE: Our programmes, especially snowshoe, skiing, snowmobile, husky and reindeer excursions can be physically demanding, and participants may be exposed to different kinds of physical strain, vibration or carbon monoxide (in case of snowmobiling). Therefore, in order to avoid any complications and to guarantee the safety of all participants, we do not recommend snowshoe, skiing and reindeer programmes to pregnant women. Snowmobile and husky programmes are not suitable for pregnant women due to vibrations of uneven tracks and the exhaust fumes of the snowmobiles.

If the programme requires special arrangements (e.g. additional transport), the extra costs will not be covered by Lapland Safaris Ltd.
