The child prices apply to children the age of 4 to 14 years.

Snowshoe and skiing excursions can be physically demanding and are therefore not suitable for children under 12 years unless programme is especially designed for children.

Children of 3 years and younger can participate in safaris free of charge, but please note that not all safaris are suitable for young children. Note that children under 2 years are not suitable to take part on snowmobile and husky safaris. Lapland Safaris Ltd reserves the right to deny the participation of small children due to safety reasons (e.g. demanding weather or trail conditions).
