

**PEOPLE
POWERED
SURREY**

Resident-led project
using **imaginative
deliberation** to help
communities reimagine
how **local democracy**
should work in a
reorganised Surrey.

We run **community workshops** to understand how people want to be **represented, included and share power** with the new councils.

Their input becomes a **Surrey Citizen Manifesto** and the basis for a **campaign to win meaningful citizen governance** structures embedded in the design of the new councils.

**CITIZEN
GOVERNANCE**

**RESIDENT
POWER**

VOICE

We're looking for **volunteers, facilitators, and community leaders** willing to arrange a workshop with us!
