

Asset Strategy Engineer

About Us:

EA Networks is a cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff have strong ties with the community that they work and live in. The core focus for EA Networks is maintaining a resilient electricity and fibre network while supporting the local economy and community. For more information about the company visit www.eanetworks.co.nz

The Role:

We are seeking a dynamic and experienced Asset Strategy Engineer to join our Network team on a full-time, permanent basis. The Asset Strategy Engineer will provide technical expertise in the development and continuous improvement of asset strategies that provide optimal whole life asset performance (reliability, availability, maintainability) outcomes for EA Networks. You will manage the Asset Management Planning Cycle and produce the annual electrical network Asset Management Plan for EA Networks.

Got what it takes?

- Bachelor's degree in Electrical Engineering or equivalent
- Previous experience in New Zealand's power distribution industry
- Previous experience in asset management of an electric utility, or similar infrastructure management organisation
- Advanced analytical interpretation and critical thinking skills
- Demonstrated knowledge of asset design, construction, maintenance and operation
- Demonstrated ability to produce high quality technical reports
- Proficiency with MS Office, especially advanced features of Word and Excel
- A working knowledge and understanding of power and fibre-optic systems
- A high level of attention to detail
- Full Class 1 New Zealand Drivers Licence

On Offer:

We prioritise providing our people with the best possible experience. In addition to a great workplace, we operate a modern software environment with a range of industry-standard technical applications. Our employee benefits scheme includes the new Extraordinary benefits card which offers rewards and benefits to help cover life's costs and support personal wellbeing. We also offer competitive remuneration, enhanced annual leave benefits alongside hybrid working options. We have an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and free on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of a strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice. As it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.
