## Underground Design Technician (Fibre and Electrical Networks)

### About Us:

EA Networks is a cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff have strong ties with the community that they work and live in. The core focus for EA Networks is maintaining a resilient electricity and fibre network while supporting the local economy and community. For more information about the company visit [www.eanetworks.co.nz](http://www.eanetworks.co.nz)

### The Role:

Are you a skilled Design Technician who has a passion for all things underground design? This may be the role for you where you can design infrastructure required for new connections to the network as well as overhead to underground conversions. You will also design the replacement or upgrades of assets as part of scheduled maintenance. Your design skills will directly contribute to enhancing the future safety and resilience of our network while delivering outstanding outcomes for our customers.

### Got what it takes?

- New Zealand Electrician Registration or equivalent with industry experience
- Previous experience with design or construction of an underground distribution network
- Flexibility and an ability to adapt to changing requirements and high priority complex timelines
- Ability to think clearly under pressure
- Strong and professional customer focus
- Full Class 1 New Zealand Drivers Licence

### On Offer:

We prioritise providing our people with the best possible experience. In addition to a great workplace, we operate a strong reliable network. Our new employee benefits scheme offers rewards and benefits to help cover life's costs and support personal wellbeing. We also offer competitive remuneration, enhanced annual leave benefits alongside hybrid working options. We have an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and free on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of a strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice. As it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.

### Join Us:

To apply, please submit your CV and Cover Letter. Applicants must be residing in and have the right to work in New Zealand. Pre-employment checks including a medical, drug and alcohol test and Ministry of Justice checks will apply. For further information please contact Harriet Leverton. Applications will be reviewed as they are received so the advertisement may close early.
