Fees are payable monthly by BACS/ electronic payment

We do not wish for any of our families to accrue debt with us and therefore we operate strict credit control procedures. We know the strain that debts can place on families and businesses alike and we therefore place great emphasis on removing this issue.

1. Invoices will be issued at the end of the preceding month and must be paid in full within 14 days of receipt of the monthly invoice. If a payment is received late there will be a late fee charge of £50. If payment is late more than twice in a six month period, on the third and subsequent occasions an increased late payment charge of £100 will be added to your invoice.
2. We believe children should have a regular attendance whilst at our setting and we will work with families to support this. However, if within the aforementioned 14 days your invoice has not been paid, the nursery will prevent any further childcare taking place until the outstanding invoice has been settled.
3. The consumable charge is incorporated into the monthly figures when funding is utilised.

The fee table reflects 50 weeks of the year (we do not charge for the period when the Nursery is closed over Christmas and New Year).

Please see our Terms and Conditions for other details.
