

Save and Learn in the Northern Territory

The ideal classroom is the great outdoors, making the Northern Territory the perfect school excursion destination. With vast horizons and contrasting landscapes, the NT provides endless inspiration. It's a place unlike any other, different in every sense, where students and teachers take the great Aussie pilgrimage to discover ancient geology, rich Aboriginal culture, important historic events, and turn learning into an adventure!

School groups from outside the Northern Territory are invited to submit an application for travel in 2026 to receive \$1,600 (GST exclusive) funding support to assist in delivering your NT school excursion.

The planned excursion simply needs to meet the following requirements:

- minimum of 10 students in the group
- staying at least five nights in the Northern Territory
- the itinerary must include three or more NT Learning Adventures (NTLA) operators.

Application forms and a list of current NTLA partners can be found at ntlearningadventures.com

All applications must be received at least four weeks prior to departure.
