Sub- Proposed to conduct the Hands-on training in Air conditioning machine (Split type)- Reg.

It has been proposed to conduct the Hands-on training in Air conditioning machine (Split type) which is available in our college campus. The training schedule as follows,

Day	Topics	Concepts
1	Refrigeration Cycle	Introduces the basic concepts needed for an understanding of air-conditioning.
	Refrigerants and Refrigerant oils	Covers the physical properties of refrigerants, including pressure-temperature relationships.
2	Compressors	explains the function of the compressor in a refrigeration system
	Evaporators and Metering devices	Explains the function and construction of evaporators.
3	Condensers and Cooling towers	function, construction, and operation of both air- and water-cooled condensers
	Piping	Examines piping system materials and sizing. Includes coverage of codes, valves and fittings.
4	System Trouble shooting	Discusses the keys to effective troubleshooting and emphasizes the importance of safety.
5	Hands-on training	Individuals hands-on training to be given in the split type air-conditioner.

Following Faculties and Technician are involving in the hands-on training:

Sl.No.	Name of Faculty Member	Designation
1	Dr.K.Sivaramakrishnan	Associate Professor
2	Mr.R.Manikandan	Assistant Professor
3	Mr.Palaniselvam	Technician

It has been proposed to conduct the Hands-on training in Air conditioning machine (Split type) which is available in our college campus. The training schedule as follows,

Day	Topics	Concepts
1	Overview of CNC machine and Numerical Control Program	Introduction of CNC machine, Numerical Control Program, description of commonly used G and M codes, description of table top CNC machine, and running some machining operations and line by line execution/validation
2	Machining Process Simulation	Introduction of Machining Process Simulation, new advancements in Computational Numerical Control machines, utilities of Machining Process Simulation, virtual CNC machine center exactly similar to the real machine, creation/execution of Machining Process Simulation and generation of Numerical Control Program.
3	Hands-on training	Participants will have opportunity to create NC programs manually and the program will be verified on CNC simulator software. Each participant will get CNC simulator in an individual PC to create/execute/validation the program

BRIDGE COURSE FOR LATERAL ENTRY STUDENTS

(Academic year 2016-2017)

- A bridge course for newly admitted students is conducted every year before the commencement of the for lateral entry students.
- The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in engineering.
- The syllabus for the course is framed in such a way that equal importance is given to both Engineering discipline and personality development which includes soft skills, sports and cultural Activities.
- The students are trained in subjects such as Mathematics, Computer Science and English apart from other co-curricular activities.
- Syllabus for Mathematics includes concepts learnt at the school level and also additional concepts which are essential prerequisites for engineering course.
- Orientation to Computers is aimed at familiarizing the fundamentals of programming languages and thereby enabling them to write small programmes in C language which is a part of I year curriculum for all branches.
- The module on English is aimed at making the students better articulate in English thereby increasing their comprehension level and self-confidence.
- The sessions in the afternoon will be on soft skills, Sports and cultural activities.

- Bridge Course will help the students to have a smooth transition to the Engineering course.
- The sound grasp of the fundamentals of the engineering subjects lays the strong foundation for the entire four year programme.
- Our experience has shown that students who underwent the bridge course have fared extremely well in Examination

BRIDGE COURSE FOR LATERAL ENTRY STUDENTS

(Academic year 2018-2019)

- A bridge course for newly admitted students is conducted every year before the commencement of the for lateral entry students.
- The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in engineering.
- The syllabus for the course is framed in such a way that equal importance is given to both Engineering discipline and personality development which includes soft skills, sports and cultural Activities.
- The students are trained in subjects such as Mathematics, Computer Science and English apart from other co-curricular activities.
- Syllabus for Mathematics includes concepts learnt at the school level and also additional concepts which are essential prerequisites for engineering course.
- Orientation to Computers is aimed at familiarizing the fundamentals of programming languages and thereby enabling them to write small programmes in C language which is a part of I year curriculum for all branches.
- The module on English is aimed at making the students better articulate in English thereby increasing their comprehension level and self-confidence.

- The sessions in the afternoon will be on soft skills, Sports and cultural activities.
- Bridge Course will help the students to have a smooth transition to the Engineering course.
- The sound grasp of the fundamentals of the engineering subjects lays the strong foundation for the entire four year programme.
- Our experience has shown that students who underwent the bridge course have fared extremely well in Examination

Dear Sir,

PFA Sheet showing list of selected students for ONGC Sponsored GATE Program.

We congratulate every single student winning selection.

We are conducting an Interview and Certificates verification process in our TIME Office, Nallaya Complex, on 20/3/17 and 21/3/17 from 10 Am till 6 Pm. The candidates should follow the process very strictly failing which the student in the waiting list will be selected.

Please inform the students to bring the following documents for verification.
1. Aadhar Card - Original & an Attested copy of the original
2. Community certificate - Original & an Attested copy of the original
3. Class 10 & 12 original Marksheets - As per ONGC Policy of Selection, the student should surrender their original Certificate to us, which they may collect it back after the completion of the course. This is to ensure that the student doesn't drop the course.
4. The student should also sign an agreement with TIME Institute that they will not drop the course in between.

Please make sure that these students are turning out fully without any failure.

We are planning to start the class on 24/3/17 at 10Am, as you plan to have the inaugration program at 3Pm. The classes will continue till 27/3/17 and then we will pause the class considering their semester exams. We will restart the classes by first week of June 2017.

Please Feel free to call me.

Thanks

Dear Sir,

Please find below the schedule from 17th July onwards. We are giving break for the student Workshops post 30th June till 16th July as you informed.

Kindly confirm the same. Request you not to change the schedule as it becomes difficult in completing the course on time as well as in arranging faculty who travel all across the country for taking classes

Date	Day	Subject	Faculty
27th June	Tuesday	HMT - Pending	Pradeep
28th June	Wednesday	Machine Design	Pradeep
29th June	Thursday	Machine Design	Pradeep
30th June	Friday	Machine Design	Pradeep
1st July	Saturday	Break Day	
2nd July	Sunday	Break Day	
17th July	Monday	Thermal (4/7)	Avinash
18th July	Tuesday	Thermal (5/7)	Avinash
19th July	Wednesday	Thermal (6/7)	Avinash
20th July	Thursday	Thermal (7/7)	Avinash
24th July	Monday	Fluid Mech	Avinash
25th July	Tuesday	Fluid Mech	Avinash
26th July	Wednesday	Fluid Mech	Avinash
27th July	Thursday	Fluid Mech	Avinash

Dear Sir,

Please find below the schedule for GATE classes till 6th July.

As per requirement, the weekends are given off and also there is a break for Ramzaan on 26th June.
The faculty are all outstation and they need to be confirmed much prior checking with their and our regular

class schedule all across the country. Hence, request you to please adhere to the time table as given below.

We have scheduled 4 days in a week after college re opens on 3rd July. As for the remaining classes we will share the details with you (require around 4 days / week for each subject completion) shortly so that you may suggest which days we can take and finish them thereafter.

Dear Student,

We believe you are preparing really hard for GATE 2018 and are fully focused to get excellent ranks in the exam.

As we have come to almost the end of our course conduction,we have prepared a Study Plan for you which you can follow during the break provided.
This will help you to understand the areas you need to emphasize and can plan accordingly.

The subjects mentioned in the attachment are the Top 4 subjects of importance for ME and they make around 50% of the Core Question Paper.

We wish you all the best for the GATE 2018 exam ahead.

PERMISSION FOR CONDUCTING TWO DAYS WORKHOP ON IoT

Submitted to the Managing Trustee

Respected Sir,

Sub: Request for conducting workshop – Reg.

We would like to organize a workshop on **IoT (Internet of Things)** for the Final Year and Third Year Students (Number of Participants 50 + 60) on **20th November 2017 for Final Year** and **21st November 2017 for Third Year**. Since final year students are doing project based on IoT concept they are in position to learn the basic concept. Third year students are interested in the same topic. Also they have already done some projects which has been exhibited **in District Level Competition.** Hence I kindly request you to permit us to **collect Rs.500 as the registration fee** (which includes cost of hardware component kit) for the workshop. The expenditure for conducting the workshop can be met out by the amount collected from the participants.

Kindly grant us permission to conduct the workshop **in association with I-Tech Technologies – Thanjavur** on the above said days.

LETTER OF ASSOCIATION

To,
The Principal,
Anjalai Ammal Mahalingam Engineering College
Thiruvarur- 614403

Date - 05/02/2021

We are happy to announce the ASSOCIATION of Knowledge Partner Spoken Tutorial Program, IIT Bombay with Anjalai Ammal Mahalingam Engineering College., Thiruvarur. Your College is officially now an **Academic Center** for initiating Spoken Tutorial Training. The Program is a part of the National Mission on Education through ICT, Ministry of Education, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

We support and motivate colleges to train students on Basic Computer Skills, Software and IT. The course and the training is offered for Rs. 25,000 per year to all the Colleges.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of your College.

Yours Sincerely,

For and On behalf of
Spoken Tutorials,

OFFER LETTER

Coding Space Labs PVT. LTD
CIN : U72900TN2020PTC136642

Dear Mr.Ajay B

We take great happiness in congratulating you on being selected as an Trainee at our company "Coding Space India". We have closely examined your Work and believe that you are qualified for the role of a Intern Developer at our company.

You will be brought on board as an "Intern Developer". Accepting this offer you will be required to perform all responsibilities assigned to you with due care and diligence and in compliance with the management norms. You are also required to substantially use all of your time and effort to perform these tasks during business hours and such reasonable additional time as may be necessary.

The Internship will start on 1st June 2021. You have to work thrice a week (Tuesday, Thursday & Saturday). This internship will be an application of the knowledge that you have already received in your college education and we seek to assist in further development of your skills via this opportunity that you have been granted.

Since you are currently a student in an educational institution, it is mandatory for you to inform your respective supervisor of your employment as an intern at our company. They must be well aware of the duration of your work and schedule so that we can collaborate on the internship in as uninterrupted a manner as possible. Please affix your signature to this letter and mail back a scanned copy of it as a mark of your willingness to proceed with this internship.

Acceptance

I have read and understood the above terms and conditions and I accept this offer, as set forth above, with Coding Space India.

Dear Mani,

It is a pleasure to have you in the team.

We started the training program from 2nd week of Feoruary 2020 and after an initial induction program of 4 weeks, moved to a **Stipend based program on Selection basis.** These are a few important aspects related to the program

1. Your entitlement to a monthly stipend of Rs. 2500/- subject to deduction of absence days
2. The stipend will be paid immediately at the end of training program
3. The minimum number of working hours per week should be 40 hours.
4. The regular working hours are from 9:30 am to 6:30 pm (excluding Lunch and Tea breaks) and you may work out additional working hours flexibilities in coordination with your Supervisors at Piana working closely with you.

I have been receiving regular positive feedback about you and I take this opportunity to address a few of the coordination retaled concerns faced by Interns due tn the.cunent situation:

1. We will be pre-poning payment of Rs. 1000/- from your stipend so that you may handle issues related to Internet connectivity / data pack. For this, you are requested to provide your bank account details, i.e., bank name, account number, your name in the account and IFSC code. We will process this payment within 2 working days of reciving your account details.
2. We are extending the Supervisor guidance further by increasing the number of hours for which they will be working with you. The detailed plan will be shared by your Supervisor with you.
3. In addition, Vipin Sir and Sathish will send dedicated time with you on daily basis
4. I will also take the pleasure of interacting with you on weekly basis and will take this opportunity to speak about overall Product Strategies and Organisation's future direction.

Looking forward to working closely with you!
