JOB DONE

**LET'S BE CLEAR.**

When we try to tempt you – with sticks, sushi, sashimi, soup and salads – navigating our menu and your appetite is perhaps taking your overview out on the deep end.

Yet.

While you could argue we haven't made choosing easy – you can also claim that finding it hard to make up your mind is only a positive sign of what's to come.

And by the way it's more simple than it looks.

Ask yourself, do I want a set menu or à la carte?

The first is at the back of the menu. The latter in the front.

You can of course also give up, tell the waiter 'surprise me, make my day'.

In any case the outcome will probably be this:

You started confused – ended seduced.
