

FononTech

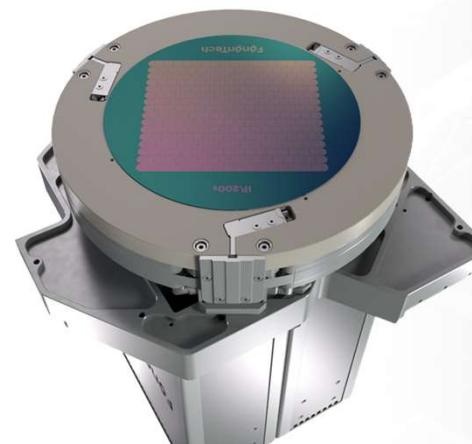

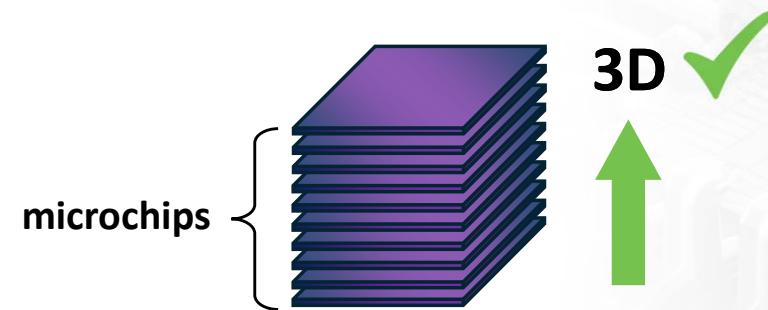

The logo for FononTech is centered on a background that is heavily blurred, showing the side profiles of multiple server racks. The logo itself is in a bold, sans-serif font. The word 'Fonon' is in black, and 'Tech' is in blue. Each of the three 'n's in 'Fonon' has a thin, blue, wavy horizontal line extending from its right side, which also serves as the 'Tech' logo's baseline.

“Moore’s Law is dead. All we have left is packaging”
