WELCOME *to Le Touquet*

Welcome to a place where elegance fuses with untamed countryside: Le Touquet, the crown jewel of France's Côte d'Opale.

Delve into this historic seaside resort's past, exploring its sandy beach, dunes and forest, and the many activities the town has to offer.

The Westminster welcomes you into an enchanting setting that forms the perfect home away from home. Visit Le Touquet for an unforgettable stay that combines relaxation, leisure and culture in equal measures.

The DESTINATION

THE MARKET

A stone's throw from the bustling Rue Saint-Jean, the indoor market opened in 1932 and forms the beating heart of the resort. Wander the stalls all year round on Thursday and Saturday mornings, and on Mondays in summer.

THE CANCHE BAY NATURE RESERVE

Basking on Le Touquet's northernmost tip, the Canche Bay unfolds in breathtaking, windswept landscapes, with the nautical center and observatories dotted around the area promising gorgeous views across the estuary. Catch glimpses of seals frolicking on the sandbank amidst the ocean waves.

SEAFRONT ARCHITECTURE AT ITS FINEST

Wander around Le Touquet and let your senses lead the way. From the lighthouses of the Phare de la Canche to Paris-Plage, astonishing architectural gems and stunning Art Deco facades await around every street corner.

THE PHARE DE LA CANCHE LIGHTHOUSE

Towering 57 meters high, the lighthouse is well worth the 274-step climb, with jaw-dropping views of the resort and surroundings unfurling as far as the eye can see. Listen in as a guide tells the tale of this place, illustrated by an exhibition in the former lighthouse-keeper's house.

A VILLA AND MUSEUM IN ONE

Tucked away deep in the forest, the Way Side Villa houses some of the museum's most impressive collections.

WATER SPORTS

Le Touquet is a little slice of paradise for sailors, and a fantastic place to get out and about on the high seas. Two water sport clubs offer a wide range of activities all year round for guests of all ages to enjoy.

NAUSICAÁ: FRANCE'S NATIONAL SEA CENTER

Nausicaa is Europe's largest aquarium: a sprawling safe haven for ocean biodiversity in Boulogne-Sur-Mer, and home to over 58,000 animals.

THE PARC DU MARQUENTERRE

The Parc du Marquenterre is tucked away in the Bay of Somme National Nature Reserve, and is the perfect spot for birdwatching and getting your nature fix.

LE GRAND SITE DES DEUX CAPS

The Grand Site des Deux Caps is an awe-inspiring oasis on the Côte d'Opale coast, clasped between Calais and Boulogne-Sur-Mer in France's Hauts-de-France region.

This unique site is named after two majestic cliffs separated by 10 kilometers of spellbinding countryside: the 134-meter tall Cap Blanc-Nez and its panoramic views of the Strait of Dover and English cliffs, and the Cap Gris-Nez, France's closest point to England.
