# Christmas

24<sup>TH</sup> DECEMBER 2025

This holiday season, Les Neiges invites you to a truly enchanting Christmas.

A thousand twinkling lights, a magical encounter with Santa Claus,  
steaming hot chocolate, a spellbinding magic show,  
cosy moments by the fireplace, and of course,  
a refined menu crafted by Loulou and his culinary team, graced with a sweet creation  
from Christophe Adam, which becomes the ultimate indulgence of this magical season.

## THE ENCHANTMENT OF LES NEIGES COURCHEVEL A CHRISTMAS TO REMEMBER

At sunset, Santa Claus makes his grand arrival, clad in his velvety red and white coat. After his long journey from the North Pole, he steps down from his carriage to the delight of our youngest guests. Children follow him to the Christmas tree, where gifts are unwrapped and a memorable photo session awaits. Santa's sack overflows with surprises, bringing laughter, wonder, and the joy of sharing.

### AN EVENING BY THE FIRE

All winter, the Lounge Bar glows with the crackle of its fireside.  
Beneath elegant oak panelling lies a haven of conviviality,  
where mulled wine spiced with cinnamon and the latest sophisticated cocktails  
crafted by our bartenders are savoured.

### A NIGHT TO REMEMBER

The atmosphere is warm yet festive: a silhouettist sketches portraits with a single stroke,  
musicians carry the night with live melodies, and laughter drifts into the small hours.  
Then, as if by enchantment, a magician appears offering  
intimate illusions so astonishing they remain etched in memory until dawn.

### AN ENCHANTING DINNER

At Les Neiges, the stars shine on every festive table.  
Loulou reveals his singular culinary signature through a dazzling Christmas menu,  
offering guests an unforgettable journey of taste and togetherness.
