BARRIERE COLLECTION

For over a century, Barrière has been breathing life into the French art of living. From Deauville's boardwalk to Cannes' iconic steps, César celebrations at Fouquet's Paris and endless summer nights in La Baule, the Fouquet's story is a masterclass in elegance and joie de vivre.

Today, Barrière Collection is uniting its iconic addresses around four complementary pillars:

- **Signature Collection embodied by Fouquet's** : ultra-luxury in exclusive locations.
- **Heritage Collection known as Hôtel Barrière** : iconic places and historical heritage.
- **Address Collection with the last-born Maison Barrière** : reinvented intimacy and exclusivity.
- **Premium Collection named as Barrière** : business and leisure.

Within this constellation, Fouquet's is unique: a homegrown Parisian brand that has blossomed into a worldwide emblem of French elegance and craftsmanship.
