

# BARRIERE COLLECTION

## Spring vacation

This spring, get ready for a jam-packed line-up of things to see and do at the 'Studio by Petit VIP'. The studio is blooming with activities, becoming a secret garden, a gardening workshop, and an outdoor playground brimming with adventures. Kids have fun and explore the destination, while parents take time out to unwind.

*Activities dependent on the weather and participating Hôtels Barrière\**

## A sneak peek at the line-up

### Become the Guardian of our Secret Garden

As they explore the hotel's iconic gardens and lounges, kids plant their seeds in cute custom flowerpots decked out in the Barrière colors, and leave with their own precious plant... as well as a sense of pride in having tended to the garden's secrets.

### Spring Egg Art

An elegant little workshop where children get decorating their eggs like true artists. A creative experience that unleashes their artistic side.

### The Cabiner of Botanical Curiosities

Young explorers set out to collect curiosities scattered throughout the hotel, piecing together a precious notebook stamped with the Petit VIP logo as a very special souvenir of their stay.

### The Quest for the Hidden Garden

A treasure hunt with a twist: clues tucked away in iconic locations around the hotel, complete with secrets waiting to be uncovered and a mission to accomplish. A one-of-a-kind immersive experience.

### Spring Styles

Creation of colorful floral wreaths and accessories, followed by a souvenir portrait snapped in a gorgeous setting.

### Floral Sweetness

Little ones roll up their sleeves and decorate delicate chocolates inspired by spring. Delicious creativity in the Hôtels Barrière house style.
