MOTHER-TO-BE MASSAGE

The Mother-to-be Massage offers a true moment of relaxation through various manual techniques and specific body positioning. Certified by Stéphane Cardon, physiotherapist-osteopath specialized in the management of pregnancy-related ailments, this treatment unravels tensions caused by the body changes of the mother-to-be. It will be 100% personalized adapting to the pregnancy stage, the desired positions, and any discomfort felt, ensuring a moment of complete relaxation for the mother-to-be and her baby.
