

# Leading effectively as a public sector Deputy.

**Ideal for:**

Early-stage Deputy Secretaries (or equivalent)

**Duration**

4-6 weeks

**Dates**

September -  
October 2026

**Cost**

\$22,600 (inc. GST)

**Format**

Blended - in-person  
residential in Sydney

The Deputies Leadership Program supports early-stage Deputies to step confidently into the demands of senior public leadership. **Designed for those new to the role, the program explores the responsibilities, relationships and pressures unique to Deputies, with a focus on integrity, stewardship and leading at the political-administrative interface.**

## What you'll learn

- » Deepen understanding of the Deputy role
- » Learn alongside peers across jurisdictions
- » Navigate complexity with confidence
- » Building and enhancing capability for effective senior leadership

## Key benefits

### Role clarity

Build a clearer understanding of the Deputy role and expectations of Secretaries and Chief Executives in complex public sector environments.

### Manage complex systems

Strengthen your ability to operate at the political-administrative interface and manage competing priorities with confidence.

### Peer Connection

Learn alongside a cohort of Deputies from across Australia and Aotearoa New Zealand, building trusted professional networks.

### Integrity in action

Explore ethical leadership, stewardship and trust, and how these shape decision-making in senior public roles.
