From carrier bag to gift wrap

You'll need: hole punch, sticky tape, pen, scissors, carrier bag, ribbon and gift.

Cut all the way through along the dotted line.

Cut along the folds on the right and left.

Turn over and carefully remove the handle.

Place the gift in the centre.

Wrap the gift.

Cut out the eyes and gift tag from the narrow side of the bag.

Stick on the eyes and thread the gift tag onto the ribbon.

Your gift is ready!
