Select Concept is a Swedish brand which manufactures high-quality products for restaurants, hotels & cafés with Swedish design in mind. Our products and concepts are inspired by the four elements in nature. Many items are individually made by hand, created in earthly rustic colors. The products are made in oak, sheet metal, stoneware and aluminum. Together they create a rustic feeling and a nice mix-and-match.

*Select Concept ist eine schwedische Marke, die hochwertige Produkte für Restaurants, Hotels und Cafés mit besonderem Augenmerk auf schwedischem Design herstellt. Unsere Produkte und Konzepte sind von den vier Elementen der Natur inspiriert. Viele Artikel werden einzeln in Handarbeit gefertigt und sind in erdig rustikalen Farben erhältlich. Die Produkte bestehen aus Eiche, Blech, Steinzeug und Aluminium. Gemeinsam erzeugen sie ein rustikales Gefühl und sie lassen sich perfekt kombinieren.*

The purpose of our brand is to deliver affordable, high-quality products and an easy and flexible opportunity to create a unique concept.

The opportunities are endless. Use products as they are, or combine them.

*Mit unserer Marke wollen wir kostengünstige, hochwertige Produkte und eine einfache und flexible Möglichkeit bieten, ein einzigartiges Konzept zu erstellen. Die Möglichkeiten sind endlos. Sie können die Produkte so verwenden, wie sie sind, oder sie untereinander kombinieren.*
