How to reach us:

Please use public transportation whenever possible:

Take the subway line U4 to the station „Hietzing/Kennedybrücke“, then take tram line 60 to the stop „Riedelgasse“

By bicycle:

There are numerous covered bicycle parking spaces available on the hospital grounds.

If you absolutely must come by car:

Parking in Vienna is subject to a fee in all public areas (Mon–Fri, 9 a.m.–10 p.m.) and on weekends additionally in designated short-term parking zones.

Parking spaces on the hospital grounds are available subject to availability.

Cost: 4.10 EUR per hour.

For electric cars, two AC charging stations (11 kW each, subject to a fee) are available in the visitor parking lot.

The more people ride in the car, the smaller the carbon footprint! We ask that you carpool whenever possible.

Please note: By registering for this event, you give us your consent to use any photos or videos of you taken during the event in the print and digital media of the Orthopaedic Hospital Speising, including social media. This consent also covers any publication in connection with event coverage in public print and digital media, including social media. If you do not agree to this, please expressly notify us in writing when you register. Thank you for your understanding.
