Second CEEBB Meeting Vienna 2027

Dear Colleagues!

It is with great pleasure that we welcome you to the second physical meeting of the Central and Eastern European Bone Board (CEEBB), which will take place on February 18-19 2027, in Vienna at the Orthopedic Hospital Speising. Pediatric and adult bone health in rare bone diseases is a multidisciplinary challenge. This meeting aims to bring together experts from Central and Eastern European countries to enhance our understanding and care of rare bone diseases.

We look forward to this varied meeting and your participation!
