

International Business Travel Checklist

Check visa requirements for the country you're visiting

Take the right currency with you (and the right amount for tips, etc)

Purchase an eSIM

Check you have all the necessary travel and work documents

Check time zones to minimize jet lag

Decide on what to pack (including for potential business meetings)

Check your baggage, class, seats, and time of flight

Be prepared for potential delays due to biometrics at airports

Confirm onward transportation

Confirm hotels staying in
