

Petra Dining Table

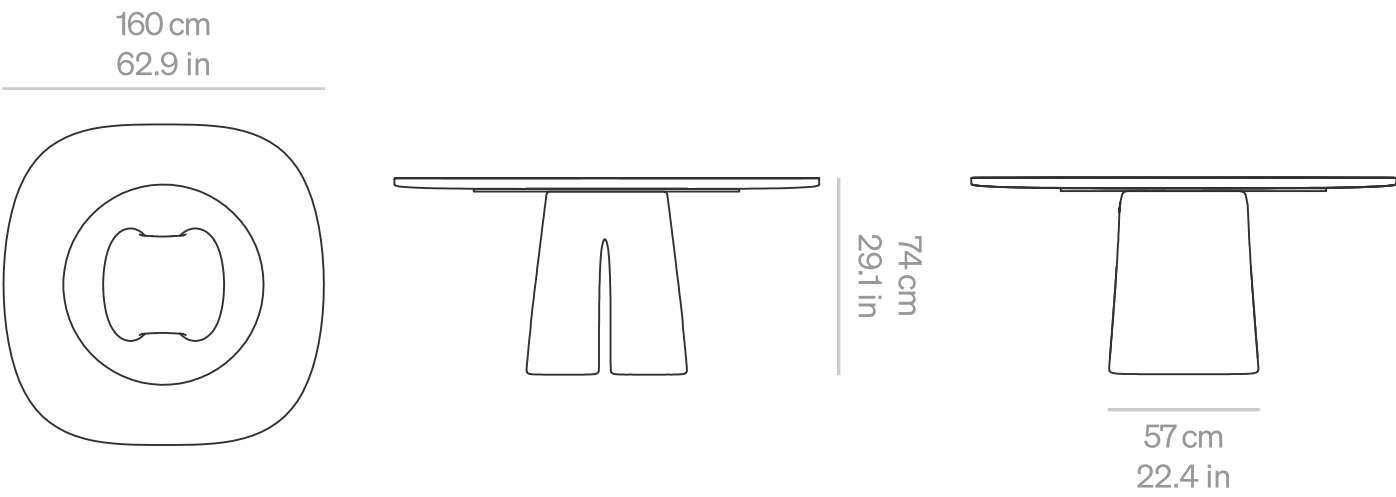

Petra Dining Table

Manufactured in Italy

Solid ash wood or Travertine.

This sculptural dining table blends volumes and proportions into a timeless geometry. The refined balance between the tabletop and the arched base, with their delicate proportions, creates a harmonious design, ensuring both structural and visual stability. The single, elegantly shaped base paired with the warmth of the wood emphasizes the sophisticated aesthetic. Available in a variety of finishes, it offers versatile customization to suit different interior styles.
