Colt International Ltd

Colt House, Bedford Road

Hampshire

GU32 3QF

Tel: 02392451111

Service, Maintenance and Repair of:

Smoke Control Systems (Categories A, B, C & D)

The above organisation has been assessed and certificated as meeting the requirements of IFCC Scheme SMR 01, V1.0 "Requirements for the Service, Maintenance and Repair of Smoke Control Systems". Certification includes assessment of the organisation's quality management and operational procedures, verification of its capability to undertake the service, maintenance and repair of smoke control systems, and competency assessment of service engineer personnel. Details of competent personnel assessed under this scheme are maintained within the company's secure client section of the IFCC website. Certification is subject to ongoing surveillance by IFC Certification Ltd to verify continued compliance with scheme requirements.
