Kingspan Group plc

10 November 2026

Kingspan Group ("Kingspan") to host CMD today in Stillwater, Oklahoma.

Kingspan Group, the global leader in high performance insulated building envelopes and bespoke critical infrastructure, will host a Capital Markets Day today at its ground-breaking Roofing & Waterproofing facility in Stillwater, OK, USA.

Kingspan management will set out its ambition for the medium term, including;

- ~ €2bn of Trading Profit by 2030, over double 2025
- ~ €6bn of firepower for deployment (2027-2030)
- ~ 200bps Trading Profit margin expansion (2030 vs 2025)

Gene Murtagh, Group CEO, commented, "Kingspan has consistently led through innovation and investing in its business, people and strategy building a strong platform for sustained growth and value creation. As we continue to advance globally and assuming markets on an even keel, we expect to deliver increasing returns through the remainder of this decade. We look to the future with great confidence".
