

Technical drawing of a window assembly showing three components: the upper frame (Bovendorpel), the lower frame (Onderdorpel), and the side frame (Kantstijl).

Bovendorpel (Upper Frame): Dimensions 114 (width) and 67 (height). The frame is shown with a cross-hatched pattern.

Onderdorpel (Lower Frame): Dimensions 67 (width) and 47 (height). The frame is shown with a cross-hatched pattern.

Kantstijl (Side Frame): Dimensions 67 (width) and 114 (height). The frame is shown with a cross-hatched pattern.

The drawing also includes a cross-section view of the frame assembly, showing the internal structure and the glass unit. The glass unit is labeled "Transportregel" and has dimensions 47x58. The frame assembly is labeled "Bovendorpel" and "Onderdorpel". The side frame is labeled "Kantstijl".
