

WHERE TO FIND US

Christchurch

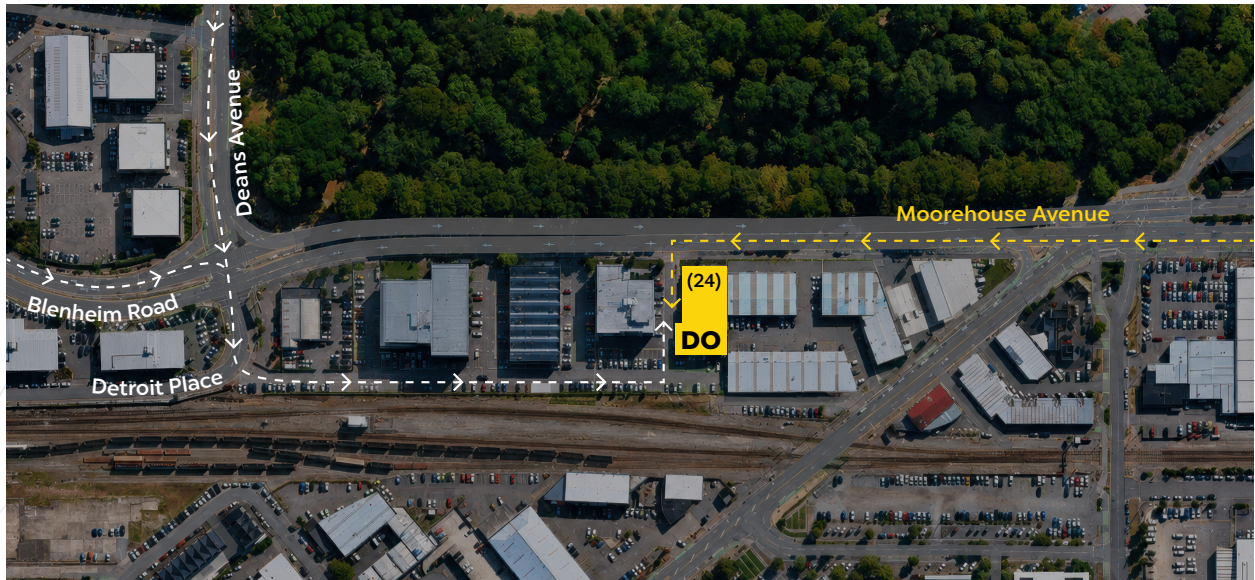

We're at **24 Moorhouse Avenue**.
You'll find us on Level 1, with dedicated
parking available outside the office.

If you are driving west along Moorhouse Ave, you can turn left directly into our car park (yellow arrow below). If you are driving from Deans Ave or Blenheim Road, the safest way to access DO is via Detroit Place.

Detroit Place can be accessed from the
Dean Ave/Moorhouse Ave/Blenheim Rd

intersection (white arrow). From Detroit place, follow the driveway behind several buildings. We're in the last building.

If you need to turn right onto Moorhouse Ave when you leave, it's also safest to exit via Detroit Place.

There is additional parking at the back of the building labelled 'DO' (shown in yellow) which may also be used.

Please do not park in any spaces marked 'R', as these are reserved for Ricoh.
