

## **Publication of a transparency notification**

**Brussels, Belgium – 3 September 2025 – Keyware (EURONEXT Brussels: KEYW) a leading supplier of electronic payment solutions and software development, discloses today that a shareholder has crossed the 50% threshold.**

According to Article 14, first paragraph, of the Law of 2 May 2007 on disclosure of major holdings in issuers whose shares are admitted to trading on a regulated Belgian market, Keyware Technologies NV (“Company”) discloses today that it has received a notification from Powergraph BV of an important participation triggered by a threshold crossing.

## **Summary**

On 3 September 2025, Powergraph BV notified that it holds on aggregate 11,329,932 voting rights in Keyware Technologies NV represented by common shares. This represents 50.32% of the 22,516,649 outstanding shares (denominator). The crossing of the 50% threshold is triggered by the cancellation of 1,027,144 Company treasury shares as decided by the extraordinary general assembly on 30 May 2025.

## **Content**
