

PUBLICATION OF A TRANSPARANCY NOTIFICATION

Brussels, Belgium – 26 January 2026 – Keyware (EURONEXT Brussels: KEYW) a leading supplier of electronic payment solutions and software development, discloses today that a shareholder has crossed the 60% threshold.

According to Article 14, first paragraph, of the Law of 2 May 2007 on disclosure of major holdings in issuers whose shares are admitted to trading on a regulated Belgian market, Keyware Technologies NV (“Company”) discloses today that it has received a notification from Powergraph BV of an important participation triggered by a threshold crossing.

Summary

On 26 January 2026, Powergraph BV notified that it holds on aggregate 14,111,425 voting rights in Keyware Technologies NV represented by common shares. This represents 62.67% of the 22,516,649 outstanding shares (denominator). The crossing of the 60% threshold is triggered by the acquisition of voting securities or voting rights.

Content

Today’s received notification comprises the following information:
