

Environmental Policy

Non-Standard Socket Screw Limited is committed to conducting its business in a manner that protects the environment and supports sustainable operations.

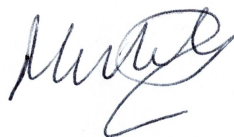

To achieve this, the Company will:

- Protect the environment, including the prevention of pollution and the management of environmental impacts arising from its activities, products, and services.
- Meet all applicable environmental legal and regulatory requirements.
- Continually improve the effectiveness of the Environmental Management System to enhance environmental performance.

Through regular monitoring, review, and continuous improvement of its environmental performance, the Company strives to ensure its operations contribute to a cleaner, more sustainable future.

Environmental Objectives:

1. Maintain compliance with applicable environmental legislation and other compliance obligations.
2. Reduce the environmental impact of operations through the management of significant environmental aspects.
3. Continually improve the effectiveness of the Environmental Management System.
