## How to make a claim

Follow the steps below:

1. In an emergency, **you** should take any immediate action which **you** need to protect **your** property from further damage, such as switching off the gas, electricity and water.
2. Check **your** schedule, **your** Summary of limits and **your** policy wording to see if **you** are covered for the loss or damage. Read carefully any conditions that may apply and the sections in the policy headed 'What is not covered'.
3. Read the 'Claim Conditions' on page 31 and follow any instructions given.
4. Call **our** claims team on 01624 645900 or contact **your** insurance adviser. Please have **your** policy number handy when **you** call. Whilst most claims can be agreed over the phone, there may be times when **we** will ask **you** to complete a claim form and provide **us** with further information, and/or **we** may wish to arrange a visit and inspection.
5. Please do not throw away any damaged items before **we** have had a chance to inspect them.

## What we will do

This will depend on the type of claim and the value involved.

1. On notification of **your** claim, **we** may be able to settle the claim from the information **you** have given over the telephone or on **your** claim form. This is why it is important to keep receipts, valuations and photographs of more expensive items to speed up the time it takes to settle the claim.
2. **You** may be able to start repairs straight away, subject to **our** approval, but **you** will need to get estimates for repairs first.
3. **We** may need to contact **you** for more information.
4. **We** may need to send a member of **our** claims staff, loss adjuster or other specialist to find out more about **your** claim. A loss adjuster specialises in dealing with insurance claims. He or she will report to **us**. **We** will pay any fee involved.

**Our** claims staff take pride in their service and will do all they can to help **you**.

## Claims notification

Conditions that apply to the policy and in the event of a claim are set out in this policy booklet. It is important **you** and **your family** comply with all policy conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in this policy document.

Claims conditions require **you** to provide **us** with any reasonable assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your home** and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets, professional valuations or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair

Sometimes **we** may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

### 3. Choosing a representative

In the period before **we** can agree that **legal proceedings** are necessary, or in the circumstances set out in the claims settlement condition titled What action **we** may take, on page 29, **we** may take on and carry out in **your** name, any negotiations for **you**. **You** must agree to a settlement which is reasonable.

If **we** agree that **legal proceedings** are necessary, but **we** are not able or **you** do not want **us** to act for **you**, **we** will agree with **you** on a **representative** to act for **you**. **We** will suggest a shortlist of **representatives** who will be willing and able to act for **you**. **You** can choose a **representative** from this shortlist. If **you** prefer not to use a **representative** from this list, **we** will consider **your** choice.

**You** will need to satisfy **us** that **your** chosen **representative** has the necessary expertise to deal with **your** **legal proceedings**. **You** must also confirm that he or she will not charge more than a **representative** on the list. However, **you** can pay the difference between **your** chosen **representative's** fees and those of a **representative** on the shortlist.

In some circumstances, **we** may not accept the **representative** **you** have suggested, but **we** will explain why. If **we** cannot agree on **your** **representative**, **you** can take the matter to an independent arbitrator. This process is set out on page 27. Any **representative** **you** choose is appointed to act for **you**.

If **we** and **you** cannot agree whether **legal proceedings** are necessary, **you** can take the matter to an independent arbitrator. This process is set out on page 27.

### 4. Rights and responsibilities

**You** must tell **us** if an offer is made to settle the dispute. **You** must not negotiate or agree to settle the dispute without getting **our** agreement beforehand. If **you** do not accept a reasonable offer to settle the dispute, **we** may not continue to support **your** claim.

**You** must send **us** all bills for the **representative's** **legal expenses** as soon as **you** receive them. **You** must confirm to **us** that any charges **you** have to pay for the **representative** handling this dispute are acceptable and that **we** may pay the bill for **you**.

**You** and **your** **representative** must take every step to recover **legal expenses**. **You** must pay any recovered **legal expenses** to **your** **representative** who must then refund any **legal expenses** which the **insurer** has paid or has been asked to pay.

If the **insurer** pays **legal expenses** up to the policy limit and **you** pay more **legal expenses** to end **your** case, the **insurer** and **you** will share any **legal expenses** that are recovered. The **insurer** and **you** will each receive the same percentage as originally paid.

### 5. Information your representative will need from you

**You** must give **your** **representative** all the information and help he or she may need. This will include a truthful account of the facts of **your** case and any paperwork to do with **your** case.

### 6. What you and your representative must do for us

**We** must be able to contact **your** **representative**. **You** and **your** **representative** must cooperate and tell **us** about developments to do with **your** case. If **we** ask for this, **we** must be able to have access to **your** **representative's** files. This includes the truthful account of the facts of **your** case and any paperwork **you** have supplied to **your** **representative**.

If **your** **representative** wants to consult a barrister or expert witness, **we** will agree if **we** think it is reasonable. **You** must give **us** the name of the barrister or expert witness, and the reasons why **you** need one.

## 7. Appealing against a court's decision

If **you** want to appeal against a **court's** decision, **you** must give **us your** reasons for bringing the appeal. **We** will give **you our** agreement if all of the following apply:

- **You** must tell **us** that **you** want to appeal as soon as **your** right of appeal arises. This is because strict time limits may apply.
- The appeal arises from **legal proceedings** to which **we** have already given **our** agreement under the terms of the claims settlement condition titled Giving our agreement on page 28.
- **Your** appeal meets the requirements of claims settlement condition 2 in the same way as **your** initial claim for **legal expenses**.

## 8. What action we may take

**We** may take over, in **your** name, all legal action in any of the following circumstances:

- If the dispute is for an amount which is under £1,000 or if the dispute could be dealt with by the small claims court.
- If **you** take legal action against someone or defend a case without **our** agreement, or in a different way from that advised by **your representative**.
- If **you** do not give proper instructions to **your representative** or barrister in time.
- If **you** cause a delay and **your representative** thinks it will harm **your** case.

In these circumstances, **we** may carry out **our** own investigation and try to settle **your** dispute. **You** must agree to a settlement which is reasonable.

If **we** ask, **you** must tell **your representative** to get the **court** to tax **your legal expenses**, or get the Law Society to certify them according to the Solicitors Act 1974 or the Solicitors Remuneration Order 1972.

If **you** withdraw from defending a **full enquiry** by the Inland Revenue without **our** agreement, **we** will be entitled to recover from **you** any amounts the **insurer** paid during the defence.

## Policy Conditions

These are the conditions of the insurance **you** and **your** family will need to meet as your part of this contract. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

There are other conditions of insurance applicable to the **Legal Expenses** section on page 27.

### Taking care

**Your family** must take all reasonable steps to prevent loss or damage to everything which is covered by this insurance.

**Your family** must keep all the property in good condition and in good repair.

### Changes in your circumstances

Using the address on the front of **your** schedule, **you** must tell **us** or **your** insurance adviser within 30 days as soon as **you** know about any of the following changes:

- **you** are going to move **home** permanently
- someone other than **your family** is going to live in **your home**
- if the **home** is use for any **business** or professional purposes other than **incidental business at home**
- **your home** is going to be used for short periods each week or as a holiday home
- **your home** is going to be unoccupied for more than 60 days in any **period of insurance**
- the number of bedrooms in the **home** has changed
- **you** or any member of **your family** has received a conviction for any offence except for driving
- if **you** intend to extend, renovate, build or demolish any part of the **buildings** and the estimated cost is more the £50,000, **you** must tell **us** about the work at least 30 days before the work starts and before **you** enter into a contract for the works. **We** may then alter the terms of the cover provided under the policy. If **you** do not tell **us** about the building works, **we** will not pay any claim caused by or resulting from the building works. **You** do not have to tell **us** about routine repairs, maintenance or decoration.
- any increase in the value of **your** items or the rebuilding cost of **your buildings**
- a change in **your** occupation

**We** may re-assess **your** cover and premiums when **we** are told about changes in **your** circumstances. If **you** do not tell **us** about changes or give **us** incorrect information, the wrong terms may be quoted, **we** will be entitled to reject payment of a claim or a payment could be reduced. In some circumstances **your** policy might be invalid, and **you** may not be entitled to a refund of premium.

### Fraud

If dishonesty (including the use of fraudulent means or devices) or exaggeration is used by **your family** or anyone acting on behalf of **your family**:

- to obtain a claims payment under **your** policy; or
- to promote or substantiate a claim whether the claim is genuine or not; or

- to obtain cover for which **you** do not qualify; or
- to obtain cover at reduced premium:

all benefits under this policy will be lost, the policy may be invalid, **you** may not be entitled to a refund of premium and legal action may be taken against **you**.

### Transfer of interest

**You** cannot transfer **your** interest in the policy without **our** written permission.

### Cancelling the policy

**You** may cancel this policy by giving **us** 14 days' written notice. If **you** cancel the policy, **we** will refund part of **your** premium for the rest of the current **period of insurance**. **We** will only do this if **you** have not claimed during the **period of insurance**.

If **you** cancel the policy within the first 30 days, as long as **you** have not made a claim, **we** will refund all the premium **you** paid.

**We** can cancel this policy by giving **you** at least 14 days' notice at **your** last known address. This will not affect **your** right to make a claim for any event that happened before the cancellation date.

If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**.

### Cancelling the monthly premium instalments agreement

**Your** policy has a normal **period of insurance** of twelve months so **your** legal contract with **us** is for this period. **We** may have agreed to **you** paying **your** premium in monthly instalments.

If **you** miss a monthly premium, **we** will send **you** a notice asking **you** to pay the premium **you** have missed. If **you** do not pay the premiums **you** have missed by the date given in the notice, **we** will cancel all the cover under **your** policy.

If **you** want to cancel the credit agreement but not **your** policy, **you** must write to **us** at the address given on **your** schedule. **We** will then send **you** a reply telling **you** how much **you** will have to pay for the rest of the **period of insurance**. If this amount is not paid by the date given in **our** reply to **you**, then **we** will cancel all cover under **your** policy.

If **you** want to cancel the monthly premium instalments agreement, **you** should also tell **your** bank, building society or Girobank to cancel **your** direct debit arrangement.

### Sums Insured

**You** must ensure that **you** review **your** sums insured at full value:-

- For **Buildings** the sum insured must represent the estimated cost of rebuilding if the **buildings** were destroyed including fees and site clearance (and not the market value of the **buildings**).
- For **your Contents** **you** must ensure that the sum insured represents the replacement cost as new.
- For **fine art** and antiques the sum insured should be the current market value.
- For **Valuable articles** the sum insured should be the current market value.

### Other Conditions

There are other conditions which relate to any claim **you** may make and these are shown on page 31 headed "Claims Conditions". **You** should also refer to any conditions shown under individual sections of **your** policy.

## Claims Conditions

These are the claims conditions **you** and **your family** will need to keep to as **your** part of this contract. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

There are other conditions of insurance applicable to the **Legal Expenses** section on page 28 and 29.

### What you must do

If someone is holding any of **your family** responsible for an injury or any damage, nobody in **your family** must admit they were responsible. Tell **us** as soon as possible and give **us** full details in writing as soon as **you** can. If any of **your family** receive any writ, summons or other legal document, send it to **us** straightaway without answering it.

If **you** find a **credit card** is missing, tell the credit card company immediately. Then tell **us** as soon as **you** can.

If **you** or **your family** are the victims of theft, riot, a malicious act or vandalism, or if **you** lose something away from **your home**, tell the police immediately upon discovery and ask for a crime reference or loss number and tell **us** as soon as **you** can, or in case of riot tell **us** immediately.

For any other claims, tell **us** as soon as possible.

Do not throw away any damaged items before **we** have had a chance to see them.

### Rights and responsibilities

**We** may need to get into a building that has been damaged to save anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not leave **your** property with **us**, as **our** responsibility.

**You** must not admit, settle, reject, negotiate or promise to pay any claim without **our** written permission. **We** will not unreasonably hold back **our** permission.

**We** have the right, at **our** expense and in **your** name, to:

- take over the defence or settlement of any claim;
- start legal action in **your** name to get compensation from anyone else; or
- start legal action in **your** name to get back from anyone else any payments that have already been made.

**You** must provide **us**, at **your** own expense, with any information and assistance **we** may reasonably require about any claim.

**You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

### Mortgages non invalidation

The rights of the mortgagee under this policy will not be prejudiced by any act of the mortgagor of **your home** provided that the mortgagee gives notice in writing to **us** as soon as possible on becoming aware of such act and pays any reasonable additional premium.

### Duplication of covers

If a loss is covered under more than one part of the policy, **we** will pay **you** under the part giving **you** the most cover, but not under more than one part. However, when both **Valuable articles** unspecified cover and **Contents** cover are shown in the schedule, and a loss is covered under both parts, **your** amount of cover will equal the combined total of both **Contents**, subject to the **Contents** Special Limits, and **Valuable articles** unspecified sums insured. In no event will **we** make duplicate payments.

### Other insurance

If **you** claim under this policy for something which is also covered by another insurance policy, **we** will only pay **our** share of the claim. **You** must give **us** full details of the other insurance policy.

## Customer Privacy Notice

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

### Who are we?

We are Intact Insurance Isle of Man Limited,, part of Intact Financial Corporation. We provide commercial and consumer insurance products and services under a number of brands. We also provide insurance services in partnership with other companies.

### Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed, to send you news and offers related to our products and services.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).
- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".  
  
For marketing, you will always be given a choice over the use of your data.
- **Necessity to establish, exercise or defend legal claim:** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.
- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

### Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker, a family member) where you have given them the permission to do so; or
- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

### Will we share your personal information with anyone else?

We do not disclose your information outside of Intact Insurance Isle of Man Limited except:

- Where we need to check the information you gave to us before we can offer you an insurance product (e.g. reference agencies);

- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies (e.g. building societies, large retailers);
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain “transfer mechanisms” such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

### Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

### For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent (e.g. we would stop contacting you for marketing purposes once you have asked us to).
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

### Will you be contacted for marketing purposes?

If you have agreed, we might contact you by post, email, phone and text message to let you know about offers and services we think you'll like. The messages may be personalised using information you have previously provided us.

You can ask us to stop contacting you for marketing purposes at any point.

We will only contact you for marketing purposes if we collected your information directly, except when authorised and instructed by the third-party acting on your behalf.

We may use the information which we collect about you to show you relevant advertising on third-party websites (e.g. Facebook, and Google). This could involve showing you an advertising message where through the use of cookies, we know you have browsed our products and services. If you don't want to be shown targeted advertising messages from us, you can change the advertising setting on some third-party sites and some browsers to block our adverts.

### Your information is incorrect what should you do?

  - b) If you believe that our processing activities are unlawful and you do not want your information to be deleted.
  - c) Where we no longer need to use your information for the purposes set out in this Privacy Notice, but it is required for the establishment, exercise or defence of a legal claim.

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that we do not disclose your personal information to someone who is not entitled to it, when you are making the request we may ask you to provide us with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean we will be able to fulfil it in full on every occasion – we are sometimes bound by law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.

## Complaints Procedure

We aim to give our customers a high standard of service at all times. In you are unhappy with our service for any reason, initially please raise your concerns with your usual business contact.

If your complaint is not resolved or you are not happy with our response and the course of action proposed for any reason, you should write to:

The Managing Director  
Intact Insurance Isle of Man Limited  
P.O. Box 27  
Jubilee Buildings  
1 Victoria Street  
Douglas  
Isle of Man  
IM99 1BF

If you are still dissatisfied, you can ask the Financial Services Ombudsman to review your case. The FSO can be contacted as follows:

Email Address: [ombudsman@iomoft.gov.im](mailto:ombudsman@iomoft.gov.im)

Telephone Number: 01624 686500

The FSO will handle most complaints which you may have concerning a contract of personal insurance. There are, however, a few instances in which the FSO is not empowered to consider complaints.
