Discover our City of Tails

Get Walking, Have Fun & CHANGE LIVES

Looking for a fun way to get the kids outdoors? Celebrate Irish Guide Dogs 50th anniversary by taking part in our City of Tails Walking Trail, in partnership with MTU, from August 22nd to 28th. Discover the whereabouts of 35 of our dogs and learn more about our life-changing work.

Get the whole family involved. We have various routes to aim for. Start at Location 6 for a shorter route that's easier for little legs.

Help Change Lives

If you enjoy the trail, please consider making a donation. Every donation helps us train and support Guide Dogs and Assistance Dogs, changing the lives of people who are blind or vision impaired and families of children with autism.

Enjoy the trail. Make a difference. Donate today.
