MOROCCAN PLATTA

Platta Gris Rose

MADE WITH LOVE

The Platta is manufactured in Fez, the tile city in Morocco. Each tile is authentically formed from clay, dried in the sun, glazed by hand, baked in an olive pit oven and cut to the right shape.

A labour-intensive job, which can only be done by the real craftsman. As there are 90 tiles in 1 m2 you can imagine that this process takes some time.

GLAZE

CLAY

HANDMADE AND FULL OF CHARACTER

The olive pit oven creates different colour nuances in the Platta. The closer to the fire, the darker the glaze colours. This results in different colour shades in one batch, which makes the Platta so characteristic. Also, no Plattas is the same size, the handmade element makes each tile unique!
