MOROCCAN ZELLIGE

Zellige Gris Rose Poisson Echelles 5x5cm

MADE WITH LOVE

The Zellige comes from Fez, the tile city in Morocco. Each tile is authentically formed from clay, dried in the sun, glazed by hand, baked in an olive pit oven and cut to the right shape.

A labour-intensive job, which can only be done by the real craftsman. As there are 100 tiles in 1 m2 you can imagine that this process takes a while.

GLAZE

CLAY

HANDMADE AND FULL OF CHARACTER

The olive pit oven creates different colour shades in the Zellige. The closer to the fire, the darker the glaze colours. This results in different colour shades in one batch, which makes the Zellige so characteristic. Also, no Zellige tile is the same size, the handmade element makes each tile unique!
