CEMENT TILES

Cementtegel **Negra 12**

MADE WITH LOVE

Each tile is shaped, coloured and pressed by hand. With old classics, new graphic forms and an unlimited colour palette, the cement tile fits in any interior style.

The cement tile is suitable for indoor and outdoor use, on the floor and on the wall.

COLORLAYER

CEMENTLAYER

FOR A LIFETIME

The cement tile is not baked but pressed, the marble colour layer makes the tile sensitive to aggressive products such as acid or bleach. Install the cement tile with acid-free products and treat it with Azule impregnation products for a lifetime of use. At purchase, you will receive a step-by-step installation and treatment manual.

Flower Verde

CLEAN

Clean the cement tiles weekly with Azule Tile Soap. After mopping, this product leaves behind a paper-thin new layer of impregnation. So the tiles will remain beautiful for even longer. You can also use green soap or another natural cleaning product.
