SPANISH TILES

Manual Verde Cobre

MADE WITH LOVE

Each tile is shaped and glazed by hand in Spain. The clay tiles come in different sizes and shapes and are finished with craquelé or with other imperfections. This is what makes Spanish tile so unique and vibrant!

CRAQUELE

Spanish tiles can contain craquelé. These are small hairline cracks in the glaze and are part of the Spanish tile. Sometimes the cracks only appear when the tile is placed. Read on Designtegels.nl what to look out for when ordering a tile with Craquelé.
