‘Special Projects...’

Shared intelligence. Collective impact.

“We bring together innovators, experts and companies to unlock the full potential of AI. By learning, building and collaborating, we turn ideas into real, scalable impact. Together, we create the intelligence that drives our innovation campus forward.”

Een geïntegreerde AI-community met 4 pijlers:

Learning network = give

- Workshops & masterclasses
- AI Academy - VKW/Voka
- Peer groups
- Training LLM's, ethics, governance
- Events & training center

AI Innovation Center

- Fysieke plek
- Exclusive acces to facility e.g. LARA
- Proof of concepts (POC)

Business Engine = take

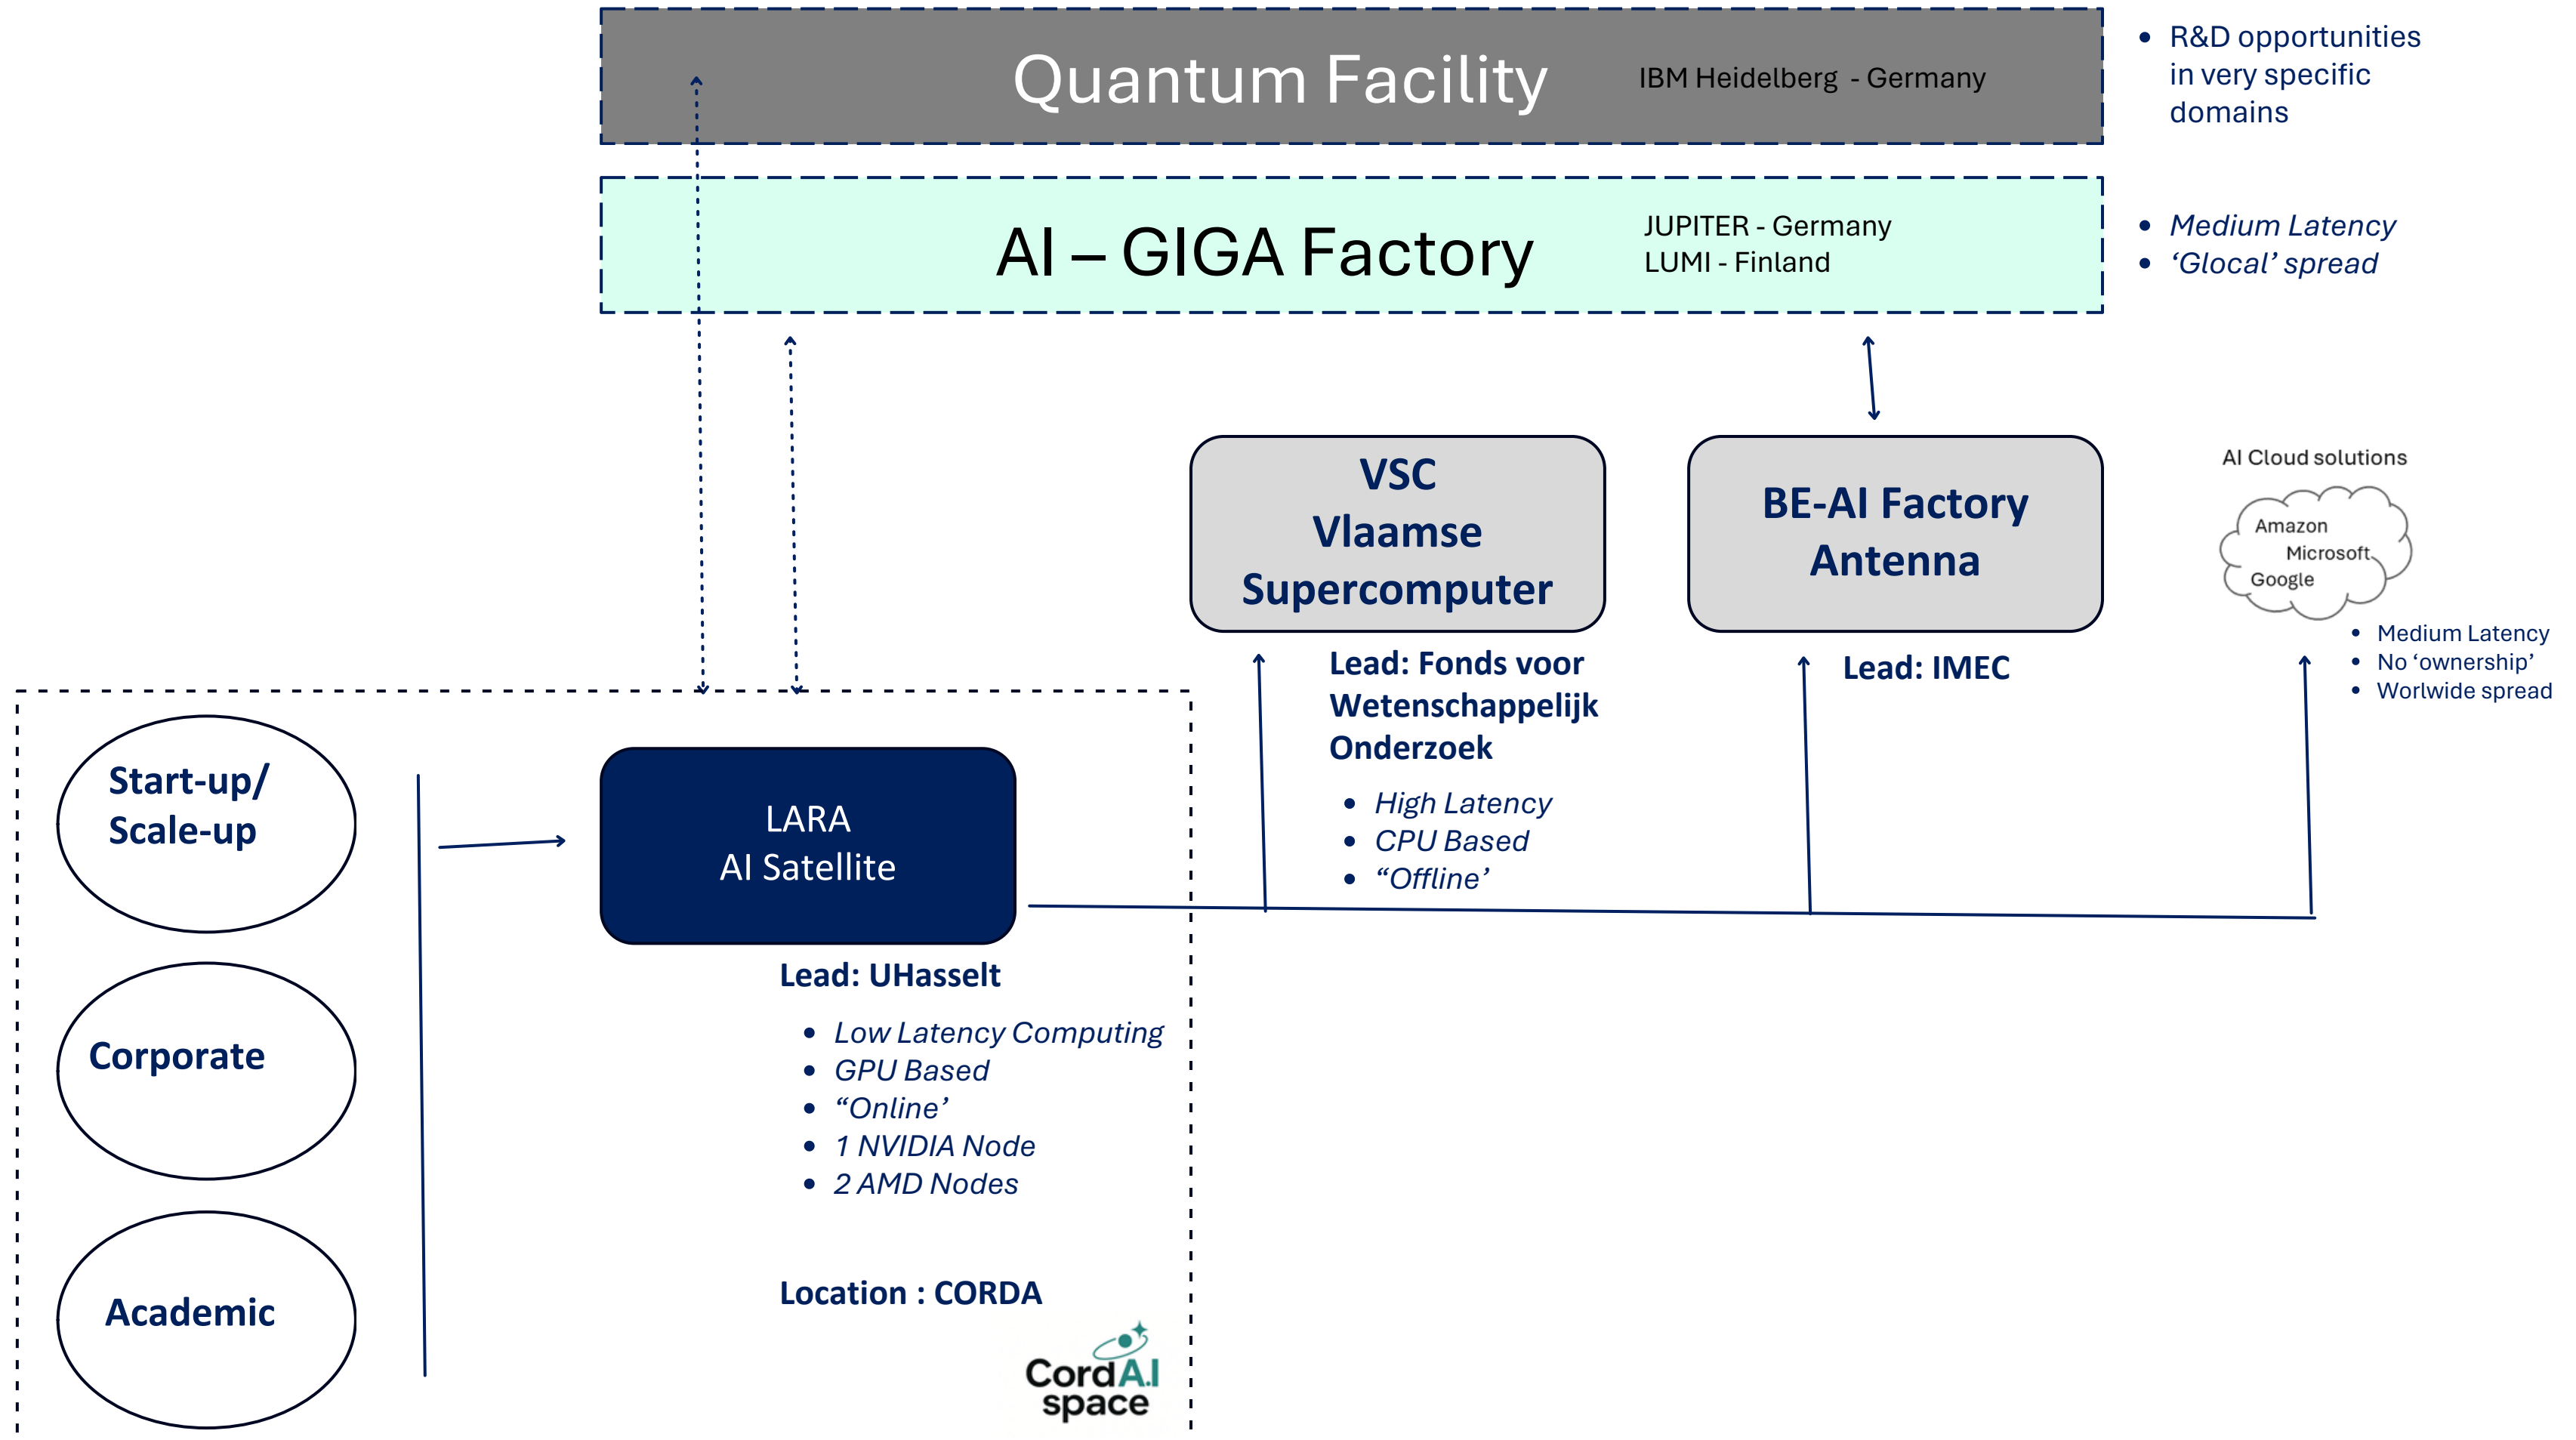

- Business Development
- Co-creatie programma's
- Sector werkgroepen
- Research residenties

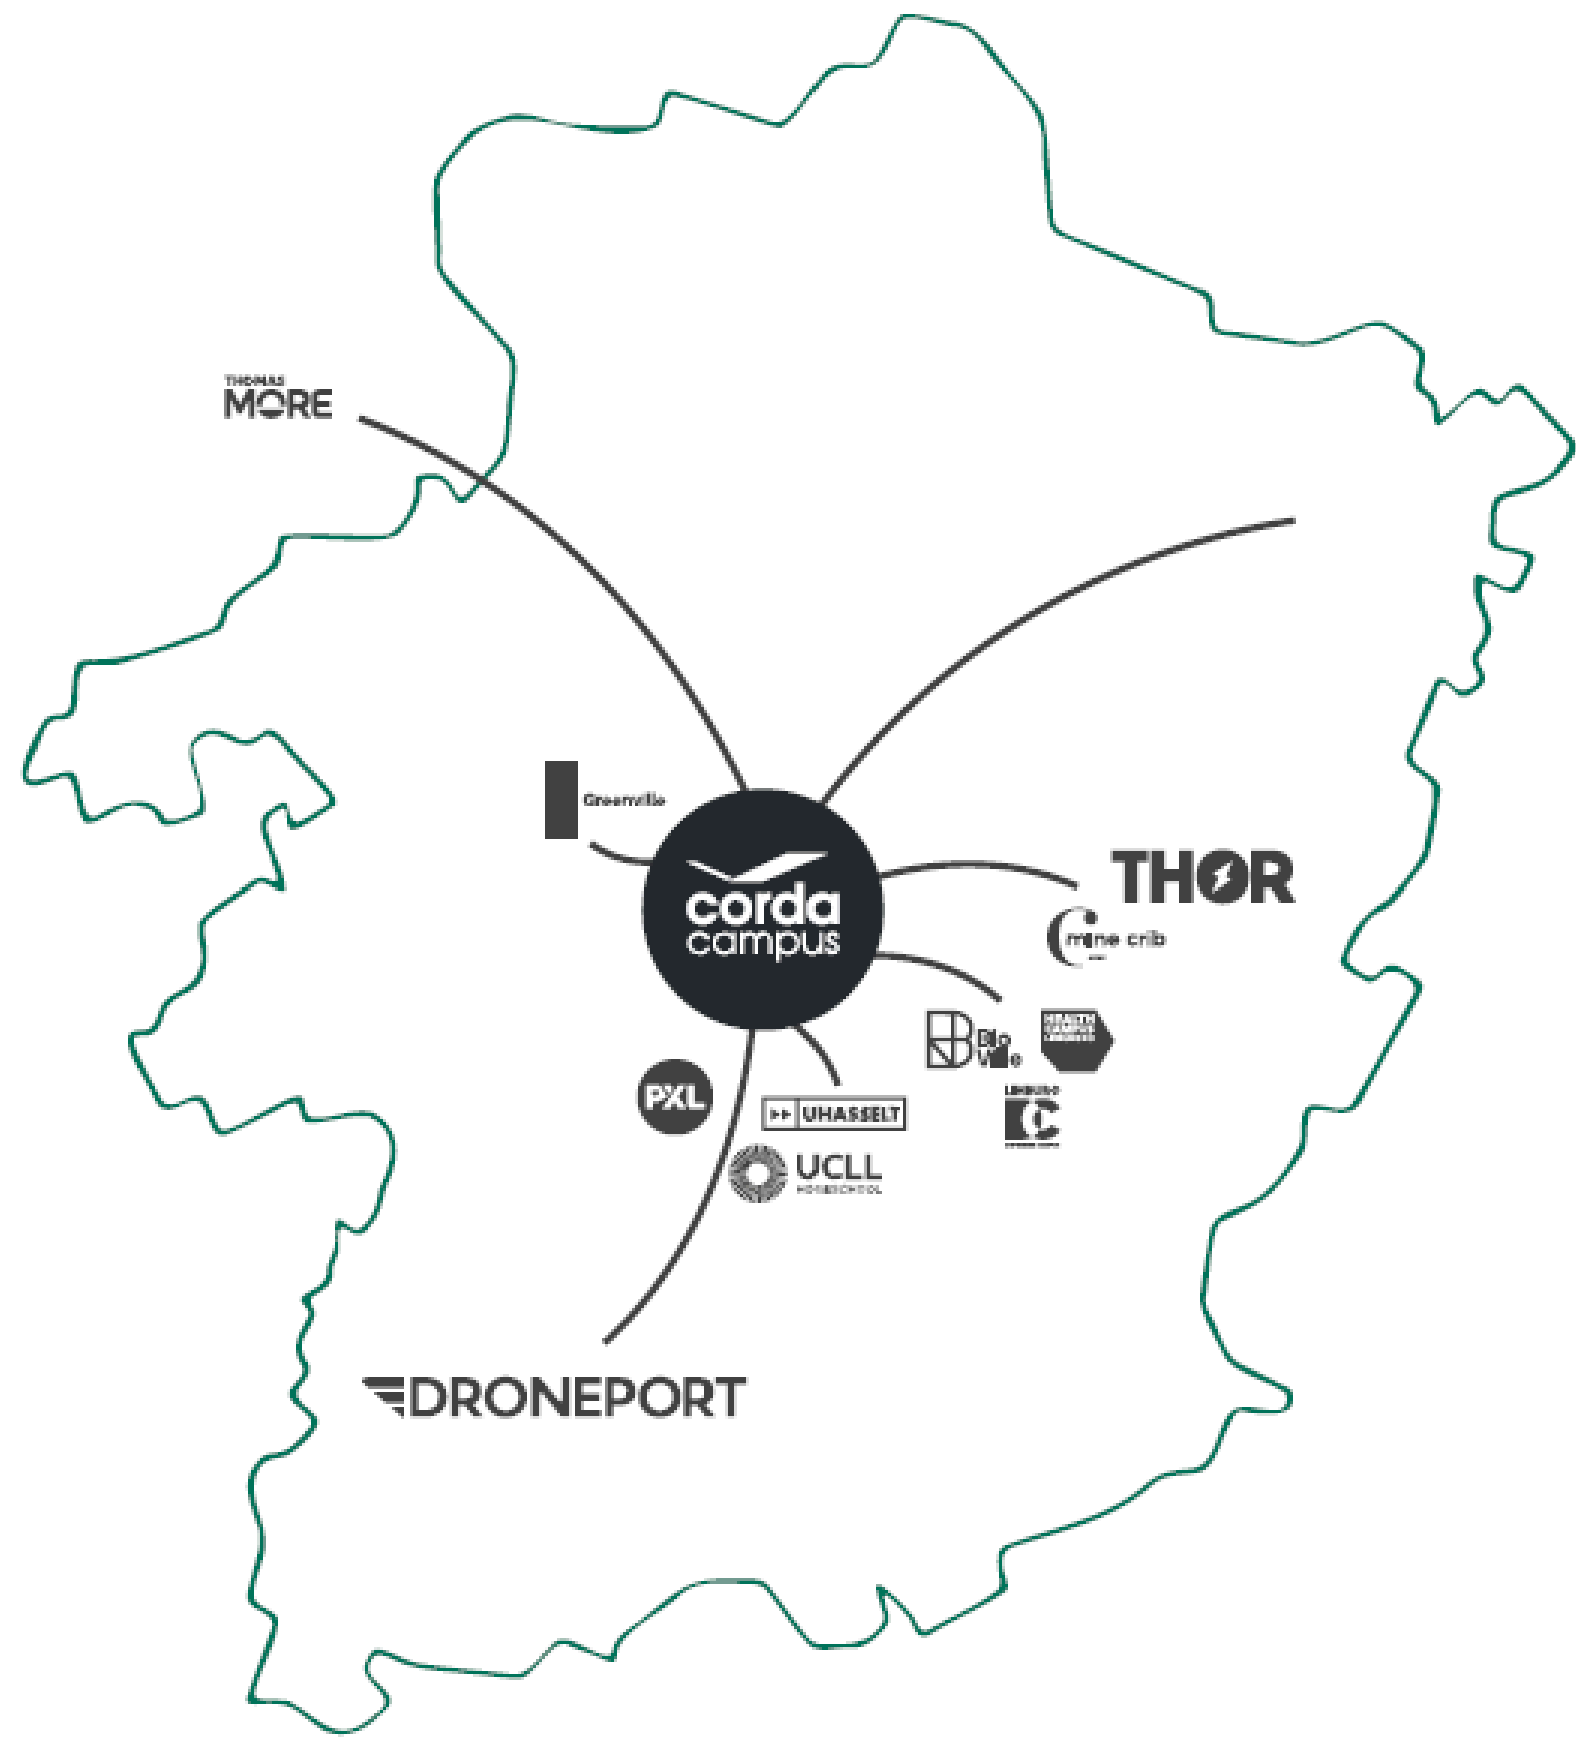

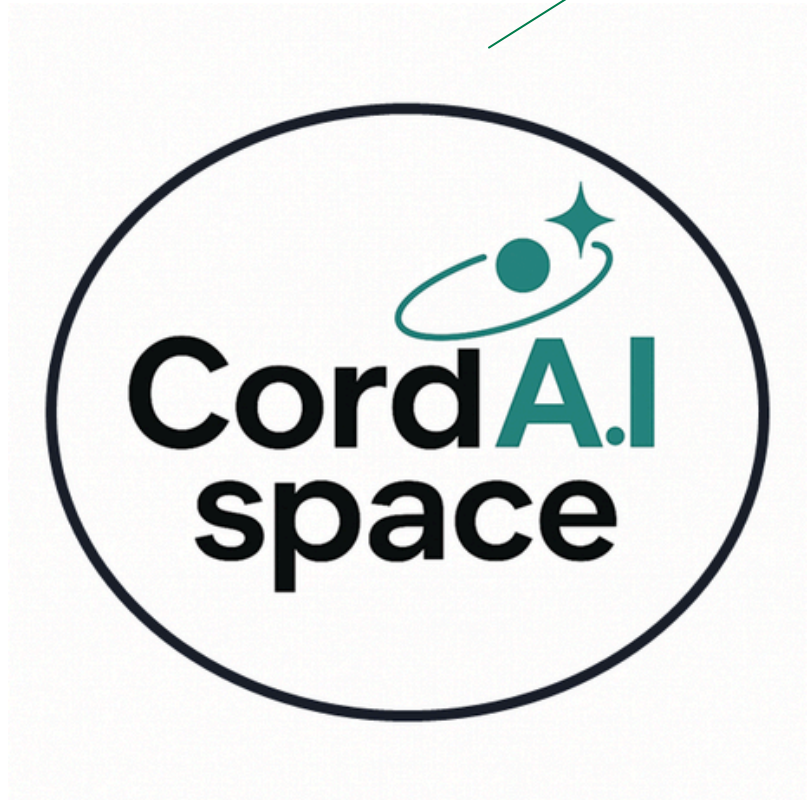

Funding Gateway

- investment readiness programma
- Acces to funding network e.g. Pom Limburg

LARA – ‘Super Computer’ / AI Satellite model
