

Charter the Aircraft. Own the Itinerary.

Private use of BermudAir's Embraer jets — for corporate travel, sports teams, incentive groups, and special occasions across Bermuda, the Caribbean, and North America.

Chartering with BermudAir means moving your group on your schedule, on your terms — with the premium onboard experience and operational expertise of Bermuda's boutique airline. From executive travel and team logistics to once-in-a-lifetime celebrations, every charter is planned, crewed, and delivered by one dedicated team.

Charter flights are available across our scheduled network and beyond. Contact our charter team early — peak dates fill quickly.

Charter for Every Occasion

Meetings, Incentives, Conferences & Events

Meetings, Incentives, Conferences & Events
Private, branded travel that sets the tone before your guests arrive — seamless for executives, efficient for large delegations.

Sports Teams

Reliable, flexible transport for athletes, staff, and equipment, with the operational agility your schedule demands.

Private & Special Occasions

Bring the people who matter most together in a refined, comfortable setting — for the moments that deserve something more.

Government & Specialty Travel

Trusted, discreet, and efficient transport for time-sensitive and high-priority requirements.

Incentive Groups

Create a journey as memorable as the destination— with an elevated, island-inspired experience from wheels-up to welcome.

Every Group Journey, Thoughtfully Managed.

Dedicated Charter Team

One team handles everything — flight planning, crew, catering, ground handling, and permits. You focus on the trip; we handle the operation.

A Premium Experience Throughout

BermudAir's signature island-inspired cabin service — warm, genuine, and unhurried — comes with every charter. No middle seats, thoughtful touches, and a crew that treats your group as guests, not passengers.

Maximum Flexibility

Available across our scheduled network and throughout North America and the Caribbean. Extended routings available subject to aircraft capability and regulatory approvals.

Trusted Credentials

BermudAir operates under the oversight of the Bermuda Civil Aviation Authority, with fully licensed crews and established operational partnerships across key markets.

Our Fleet

	Embraer E175	Embraer E190
Seating	Up to 70 passengers	Up to 96 passengers
Cabin	Spacious, no middle seats	Comfortable, elevated service
Range	North America & Caribbean	Extended reach across the Americas

How To Book

1

Submit Your Request

Tell us about your group, routing, and dates through our charter enquiry form or by [contacting our team directly](#).

2

Receive Your Proposal

Our charter team will prepare a tailored quote, including aircraft, crew, catering, ground handling, and applicable fees.

3

Confirm and Coordinate

Sign your charter agreement, submit the required deposit, and let our team manage the operational details.

4

Fly Your Way

Enjoy a seamless, private travel experience — from airport arrival to island welcome.
